Leadership Tomorrow Class 36

Leaders Like Us LIVE December 2022

2022 has been a year of advancement for our organization, marked clearly by our rebranding and decision to step forward using our legal name, Leadership Unlimited. Although we have always officially been Hall County Leadership Unlimited, Inc., our community has known us by the name of our flagship program, Leadership Tomorrow (LT). We're proud to have LT continue as our flagship, and we have stepped up to the challenge of meeting the evolving needs of our community with four additional programs - Youth Leadership Tomorrow, Discover Grand Island, Elevate Grand Island, and the Executive Series. Our branding now encompasses all the ways we are meeting our mission: to educate individuals committed to developing leadership skills to improve our community.

New to our suite of programs this year is Elevate Grand Island (EGI), a seven-week course offering a hands-on learning experience, intended to empower and inform our New American leadership. The first class was held with nine participants from five different countries, ranging in length of Grand Island residency from 25 years to 8 months. EGI will be offered twice per year, once in the spring and once in the fall. Please contact our office if there is someone you would like to nominate for Elevate Grand Island!

The alumni committee took time to examine ways to engage all our alumni. They created the Leaders Like Us LIVE series where I have the opportunity to sit down for a live interview, open to the public, with a leader within our community. These events, like the video series, Leaders Like Us, offer an inside look of new developments, obstacles, and ways our leaders are approaching the growth of our community.

Thank you so much for supporting us and the work we're doing to develop leaders who are committed to improving our community. Impacting Hall County yesterday, today, and well into the future, we are Leadership Unlimited.

MEETING OUR MISSION

"Leadership Unlimited has made a lasting impact in my life. Participating in LT Class 36 helped motivate me to run for office and build professional relationships within Grand Island. There are endless opportunities that can arise from being involved with Leadership Unlimited, and I am grateful they are in our community." - Eric Garcia-Mendez, LT 36

"I feel YLT allowed me to form relationships with other hardworking students and organizations in the community with the same mindset of leading others. Through the YLT lessons, I have gained confidence in my leadership skills, which I use everyday in my life as I coordinate functions and lead my peers." - Gracie Woods, YLT 26

"As someone who grew up in Grand Island but has just recently come back to the Grand Island workforce, I didn't realize the diversity, opportunities, and growth Grand Island has experienced in the last ten years. Discover Grand Island gives a great learning opportunity to professionals working within the community. This experience enticed me to apply for the Leadership Tomorrow program. I am excited for more people to experience what Discover Grand Island and Leadership Unlimited have to offer our growing community!" - Kyle Boysen, DGI 2 and LT 37

FROM YOUTH LEADERSHIP TOMORROW TO LEADERSHIP TOMORROW, A JOURNEY OF LEADERSHIP

Leadership Tomorrow Class 37

"I graduated high school in 2015 and was fortunate to be able to participate within Youth Leadership Tomorrow. It was within that program that I was able to truly discover all that Grand Island had to offer - whether that was within the entrepreneurial scope, big industry, non-profits, or volunteer opportunities. YLT also helped me to be able to see the true power and purpose of networking as I was able to meet and get to know students from surrounding schools - and to this day, I remain friends with many of them. Upon my return to Grand Island in 2020 after graduation, I knew that the adult Leadership Tomorrow program was something that I wanted to be apart of due to the great experiences that I had within the YLT program. I quickly began researching the adult program - looking for the criteria required to be involved and asking my employer whether they would consider sponsoring my involvement within LT. I am fortunate enough today to be able to say that I am a proud alumnus of YLT as well as a current member of Leadership Tomorrow Class 37." - Betsy Foltz, YLT Class 17 and LT Class 37
